About the event:

- It is a University based community group for students who are interested in technology especially technologies from google.
- GDSC is a place to grow as a developer starting from a beginner to advanced developer.
- GDSC is not always about programming but also about learning together and growing together.
- These students organize workshops where students are able to get exposure to many skills.

“RESUME BUILDS STRONGER, AS THE NAME IS ENOUGH-GDSC”

Flutter Session :

Flutter is a versatile framework developed by Google for building high-quality, cross-platform mobile applications. It utilizes a widget-based approach, allowing developers to create beautiful and responsive user interfaces. With its hot reload feature, developers can quickly iterate and see instant changes in their app. Flutter also boasts excellent performance, enabling smooth animations and fast rendering. Whether you're a beginner or an experienced developer, Flutter offers a powerful toolkit to bring your app ideas to life.

OBJECTIVES:

- **Connect:** All the welcome, those with diverse background and different majors.
- **Learn:** Learn about a range of technical topics and gain new skills through hands-on workshops and events.
- **Grow:** Advance your skills career and network, give back to your community by helping each other learn.

✚ BY joining GDSC students grow their knowledge in a peer-to-peer learning environment

Lead Explaining about all the technologies

Session on Flutter

The image shows a man in a white shirt and dark pants standing on a stage, holding a microphone and presenting. Behind him is a large screen displaying the title "Flutter & Dart" and the subtitle "A Dynamic Duo for Developers". The screen also lists "MBA & MCA Courses" and "Master of Business Administration" and "Master of Computer Applications". The background wall is decorated with various icons related to technology and education, including a lightbulb, a satellite, a person with a hard hat, a compass, a circuit board, and a graduation cap. The wall also features the Vignan's Institute of Technology logo and accreditation details (NAAC Accredited A+, NBA).
