

## Vignan's Institute of Information Technology (A) :: Visakhapatnam

### Department of Computer Science and Engineering

Title of the Project : **Lending a hand for need**  
Batch No : 50  
Name of the Course : B.Tech. (CSE) Section: D  
Academic Year : 2022-2023  
Supervisor Name : Mrs.G.Sujatha

**ABSTRACT:**All around the world through the rapid trends of changing times the world has a plaguing social aspect which is Home For Abandoned, termed as Orphanage's, the home of orphans who are increasing in numbers all over world. The major issues faced by them are hunger, loneliness, lack of familial, future development. Hence, we tend to address these problems which can be solved by providing donation, funding, adoptions of these orphans. Our web portal works on real time data of orphanages all over nation to lend a helping hand to the abandoned. In existing systems, the process of adoption undergoes many manual procedures like home study and child, legal protocols, pre adoption foster care likewise.

**Keywords:**

- Adoption : The action or fact of legally taking another's child and bringing them up.
- Donation : Something that is given to a charity, especially a sum of money.
- Web Portal : Collection of web pages
